EURORDIS 2013 Photo Contest

Procedures

Step 1/ 25 September 2013 – 8 December 2013: Upload your photo(s) at http://www.eurordis.org/photo-contest-2013, fill in all the required fields and read the terms & conditions of the contest.

- You can also submit your photo by sending it to photocontest@eurordis.org with the following information: first name of the photographed person, your country, disease represented, name of photographer, title of your photo and eventual comments.

- Your photo will be manually checked by our moderator before being placed on our Gallery. In the meantime, if you upload your photo via the form, you can begin sharing your photo with your friends once it is uploaded, and ask them to vote for it. The votes recorded before the photo is placed on the gallery will remain after the photo's update on the gallery.

Step 2/ 9 December 2013: Selection of finalists.

Selected as finalists:

- The 10 photos with the most votes (in case of a tie, EURORDIS editorial staff will determine the finalists among those photos which have the same number of votes).
- Up to 3 more photos selected by the EURORDIS editorial staff.

Step 3/ 9 December 2013 – 17 December 2013: Jury vote

- The finalists will be presented to our Jury, composed of the members of the EURORDIS Board of Directors.
- Members of the Jury will attribute points to their 3 favourite photos:
  - 5 points for the 1st choice
  - 3 points for the 2nd choice
  - 1 point for the 3rd choice
  A final count will determine the 3 winners of the contest. In case of a tie, the votes from the public will determine the order between those photos which have received the same number of points from the Jury.

Step 4/ 18 December 2013: Announcement of Winners

All prizes will be awarded once a final decision has been reached. The winners will be notified by the most convenient method available.
